## casa de pueblo en venta Maella, Bajo Aragón-Caspe

House located in one of the most central and quiet streets of the town of Maella. The total constructed area of the house is 196 m<sup>2</sup>. The house is divided into four floors of the same surface area each (49 m<sup>2</sup> each floor). The ground floor consists of a large garage, and also has a small storage room, a toilet and a pantry. Stairs lead to the first floor, which consists of a single large room to complete the distribution. It has exits to two balconies. The second floor is in the same condition as the first. The attic top floor is also made up of a single space, with two windows. It should be noted that the roof has been renovated. Possibility of contracting Internet with fibre and Digital TV.
